Complete applications should be no longer than 5 pages in length (1 summary page, 3 pages for application questions/answers, 1 budget page). **Additional pages (except letters of support) will NOT be reviewed.**

Please include both the questions and your answers in the narrative, which should describe your project as directly and concisely as possible. The review committee will evaluate your application based on your answers to these questions, according to the criteria listed in the *Grant Guidelines*.

1. Describe your project, detailing why the education and outreach project is needed, especially for the specific audience that you have identified. If part of a larger project, please describe the portion of the project for which you are seeking LCBP funding.
2. Describe any tangible products or measurable results that your project will create.
3. Describe how your project addresses this need and whether there are any hands-on citizen participation components to the project. Explain how this project might enhance other education and outreach efforts in the Lake Champlain watershed (NY, VT, and Québec).
4. List who will be involved in the proposed project (volunteers, board member, or staff) and whether it will involve local community members. If your project will take place on private land, explain how it will benefit the broader community. Multi-jurisdictional projects are encouraged.
5. Describe your experience with similar projects and whether you are aware of other organizations doing similar work. List the specific objectives and tasks for your project. Identify target dates for each task leading towards your project completion deadline.

C. Budget Table and Justification

Please use the format below for your budget table.

- If the LCBP request is part of a larger project, please indicate the estimated total project value and the funding source.
- All expenses should be placed into one of the following major categories:
 - Direct Costs - subcategories include: Personnel (including fringe benefits), Supplies, Contracts, Equipment, and Travel.
 - Indirect Costs – include general office and operating expenses, insurance, bookkeeping, etc. Please refer to the *Grant Guidelines* for more information about direct and indirect costs, eligible expenses, and matching contributions.
- If your project includes several tasks, it is helpful for each task's budget to be broken out separately from the other tasks.
- List additional specific expense categories where appropriate as indicated.
- Budget items should be divided into funding sources as shown in the budget table. At minimum, show which items will be covered by the LCBP grant and which items will be part of your matching contribution (if matching contributions will be used). List other sources of funding that are not being used as match (such as other federal funds) following your budget table, as shown.
- In addition to the budget table, please include a brief justification for each line in your budget, as in the following example:
 - Project Coordinator: supports staffing for oversight of project activities, 50 hours @ \$18/hr.
