

HACCP Planning for Natural Resource Pathways

Date: October 23, 2007

Location: Lake Champlain Basin Program Office, Grand Isle, VT

Instructors: Mike Goehle, USFWS; Mark Malchoff, Lake Champlain Sea Grant

Description:

This HACCP training will focus on natural resource and baitfish pathways for the inadvertent movement of non-target organisms. Upon completion of the training participants will be able to:

- Identify hazards in their work.
- List the critical steps in their process.
- Identify areas in a process where non-target organisms can be controlled.
- Determine the corrective actions to control these non-targets.
- Write and implement effective HACCP plans.

Registration:

The workshop is free, but pre-registration is required.

Registration deadline: October 17, 2007.

To register, contact:

Michael Goehle
U.S. Fish and Wildlife Service
Phone: (716) 691-5456, ext. 32
