

# LOVE THE LAKE

## 2008 Speaker Series

The Lake Champlain Basin Program (LCBP) offers the Love the Lake Speaker Series in memory of our co-worker, Jane Potvin, who loved to bring locals together to talk about the Lake.

On Thursdays from February 21 to March 13 at 6:30 p.m., the public is invited to join LCBP staff and these speakers for homemade desserts, tea, coffee and lively lake conversations. The LCBP office is in the stone house at 54 West Shore Road in Grand Isle, VT—a short walk from the LCT ferry. ALL EVENTS ARE FREE.
