Zoe Richards, UVM Wildlife Biologist
March 17, 2005, 6:30-7:30 p.m.

Aquatic Invasive Species and the Champlain Canal: Would a Barrier to Lake Champlain Make Sense?

Mark Malchoff, Aquatic Resources Specialist, Lake Champlain Sea Grant
March 24, 2005, 6:30 - 7:30 p.m.

Location: Lake Champlain Basin Program, Gordon-Center
House, 54 West Shore Road, Grand Isle, VT 05458. For more
information call 372-3213 or 1-800-468-5227.

Join us for coffee, tea and great desserts. New Yorkers can
walk to the Gordon-Center House from the ferry!

This series is FREE and open to all ages.

The Lake Champlain Basin Program offers this series in memory of our co-worker, Jane Potvin, who loved to bring locals together to talk about Lake Champlain. Come listen to these terrific Lake Champlain speakers and researchers. Learn first hand about their passion for Lake Champlain and many of the natural and cultural resources in our watershed! Share your own Lake story.
