

**LCBP 2021 Grant Award Summary****\$4,435,012.00****Small Education and Outreach Grants**

	Adirondack Mountain Club	Discovering the Ausable: An Aquatic Stewardship Program	\$11,181.00
	Ausable River Association	Guided Watershed Tours: Interpretive Outdoor Trips to Educate Community Members and Inspire Stewardship.	\$15,000.00
	Center for Research on Vermont at the University of Vermont	Community News Service: Stories of the Lake	\$14,993.00
	Franklin County Natural Resources Conservation District	Franklin County Restoration Connections BioBlitz	\$13,612.00
	Friends of Northern Lake Champlain	Northern Lake Champlain Shoreline Stabilization Outreach Series	\$7,843.00
	Lake Champlain Community Sailing Center	Diversity Access Initiative	\$10,000.00
	Lake Champlain Lake George Regional Planning Board	LCLGRP Septic Smart Campaign	\$7,150.00
	Lake Champlain Maritime Museum	Creating Meaningful Visitor Experience with a Museum Educator	\$15,000.00
	Lake St. Catherine Association	"Libraries Love Lakes" Events at Lake St. Catherine", our local celebration of the 50 yr. anniversary of the Clean Water Act	\$9,191.00
	Lamoille County Conservation District	A Day at the River	\$14,998.00
	Northern Forest Canoe Trail	Engaging students and volunteers in stewardship projects along the Saranac River, Lake Champlain Islands, and Missisquoi River	\$14,615.00
	Paul Smith's College, Adirondack Watershed Institute	Lake Champlain Headwaters Summer Education Program	\$9,999.00
	Poultney Mettowee Natural Resources Conservation District	Growing Community Action	\$10,570.00
	Research Foundation for the State University of New York	Late Night for Lake Champlain! Building Lake Champlain awareness through transformative entertainment and comedy.	\$14,551.00
	Vermont River Conservancy	Riparian Restoration and Public Access Community Workdays at the McCuin Island Preserve, Lamoille River	\$7,706.00
	Very Merry Theatre	Waterways Stage Collaboration	\$12,078.00

	Zoo de Granby	A "Spiny" Project (Phase 2): Focusing on schools and municipalities to protect the spiny softshell turtle and its habitats, the Lake Champlain and its tributaries.	\$14,901.00
			<b>\$203,388.00</b>
<b>Clean Water - Large Implementation Grants</b>			
	City of Plattsburgh NY	Plattsburgh City/Town Illicit Discharge Detection and Elimination Study, Phase 3	\$37,500.00
	City of South Burlington	Burlington Country Club & Spear Street Gravel Wetland	\$125,000.00
	Clinton County Soil & Water Conservation District	Clinton County Interseeded Cover Crop Project	\$61,930.00
	Town of Willsboro	Water Quality Improvement Equipment	\$125,000.00
	Essex County SWCD	Essex County Riparian Buffer Program	\$78,000.00
	NW RPC	Removal and Replacement of Road Crossing Structure – Black Falls Road, Montgomery, VT	\$125,000.00
			<b>\$552,430.00</b>
<b>Clean Water - Small Implementation Grants</b>			
	Lake St. Catherine Association	Creating a Critical Mass of Lake Stewards on Lake St. Catherine: Year three of non-point pollution source projects and an exciting new collaborative with Castleton University	\$24,970.00
	Town of Peru	Pollution Reduction in Lake Champlain,	\$25,000.00
	UVM	Integrating Cover Crop in Corn Silage Production Systems to Meet Agronomic and Conservation Goals	\$24,992.00
			<b>\$74,962.00</b>
<b>Clean Water - Planning Grants</b>			
	Ausable River Assn	Establishing Bankfull Discharge and Hydraulic Geometry Relationships, Ausable River Watershed	\$50,000.00
	LCLGRP	NY NPS Subwatershed Assessment Plan Update	\$47,785.00
	Lewis Creek Assn	Concept Design for Ahead of the Storm Demonstration Site in Hinesburg	\$18,526.00
	OBVBM	Completion of the planification for the revitalization of the Lake Parker watershed by characterizing the lake's sediments in order to determine their contribution to water pollution	\$20,873.00

	Poultney- Mettowee NRCD	Project Planning in South Lake: Go with the Flow... Stream Projects	\$100,000.00
	Rutland NRCD	Stormwater Reduction in the Town of Proctor	\$37,132.00
	Winooski NRCD	Identify & Advance Implementation in Winooski Conservation District	\$100,000.00
			<b>\$374,316.00</b>

**Healthy Ecocystems Aquatic Invasive Species Spread Prevention and Management Grants**

	Ausable River Association	AIS River Steward for the Ausable River/Northern Champlain Region, NY	\$15,000.00
	Chazy Lake Watershed Initiative	Chazy Lake Watershed Initiative EWM Removal	\$15,000.00
	Friends of Missisquoi NWR, Inc.	Invasive species and water chestnut control at Missisquoi NWR	\$10,000.00
	Lake Dunmore Fern Lake Association	Greeter program at Magoon launch Lake Dunmore	\$15,000.00
	Lake Hortonia Property Owners Association	2022 grant application	\$15,000.00
	Lewis Creek Association	Bristol Pond and Monkton Pond Boat Launch Steward Initiative	\$14,385.00
	Loon Lake Homeowners Association	Prevention of the introduction of invasive species to Loon Lake	\$9,001.00
	Missisquoi River Basin Association	Knockout Knotweed: Return of the Jedi	\$3,436.00
	OBVBM	Acquisition of a boat wash and decontamination unit for Selby Lake in the Missisquoi Bay basin in Québec	\$15,000.00
	Paul Smith's College Adirondack Watershed Institute	Adirondack AIS Spread Prevention: Protecting the Saranac River Watershed	\$15,000.00
	Rainbow Lake Association, Inc.	AIS Spread Prevention Watercraft Inspector Program in the Adirondacks: Rainbow Lake/Buck Pond Campground 2022	\$15,000.00
	Shore Owners' Association Lake Placid	Invasive Species Prevention Program on Lake Placid	\$15,000.00
	Upper Saranac Foundation	Follensby Clear Pond Aquatic Invasive Species Removal	\$14,673.00
			<b>\$171,495.00</b>

**Healthy Ecocystems - Habitat & Native Species Conservation Grants**

	Ausable River Assn	Native Plantings and Soil Health for Healthy Streams, Ausable River Watershed	\$25,000.00
	City of Montpelier	Siboinebi Path Habitat Restoration,	\$24,770.00
	Franklin County NRCD	Multi-Year Habitat Monitoring at Johnsons Mill Dam Removal,	

	Intervale Center	Stewarding Riparian Forests for Clean Water and Healthy Ecosystems	\$25,000.00
	UVM	Long-Term Monitoring of a Myco-Phytoremediation Project for Phosphorus Mitigation & Pollinator Habitat at Shelburne Farms	\$25,000.00
			<b>\$99,770.00</b>
<b>Organizational Support Grants</b>			
	Ausable River Association	Increased Organizational Capacity for Scientific River Diving and River Research	\$4,000.00
	Champlain Watershed Improvement Coalition of New York	CWICNY Strategic Planning and Development	\$4,000.00
	Chazy Lake Watershed Initiative	Chazy Lake Watershed Initiative Organization Support	\$4,000.00
	Franklin County Natural Resources Conservation District	Tree Planting Monitoring and Stewardship Training	\$4,000.00
	Franklin Watershed Committee	Equipment for Clean Water Work	\$715.00
	Friends of Northern Lake Champlain	2021 FNLC Presentation and Office Equipment Upgrade	\$2,814.00
	Intervale Center	Improving Inventory Tracking and Sales at the Intervale Conservation Nursery	\$2,500.00
	Lake Champlain Committee	LCC Technology Upgrade	\$4,000.00
	Lake St. Catherine Association	The best Strategic Planning "NOTION" to implement "Opportunities for Action" at Lake St. Catherine	\$1,970.00
	Missisquoi River Basin Association	Capacity and Outreach Expansion	\$4,000.00
	Paul Smith's College of Arts and Science, Adirondack Watershed Institute	Adirondack Lakes Alliance: supporting lake and river associations in the Lake Champlain Basin and beyond.	\$4,000.00
	Winooski Natural Resources Conservation District	Coordinating for a Successful Financial and Organizational Transition	\$4,000.00
			<b>\$39,999.00</b>
<b>Large Education and Outreach Grants</b>			
	Champlain College	Protecting our Waters - An experiential learning module for elementary students that Benefits the whole community	\$44,413.00
	Lake Champlain Maritime Museum	The Giant Lake Champlain Basin Map Project, Phase 2	\$42,431.00
	Lake Champlain Maritime Museum	Increasing Access to Field Trips in 2022	\$20,310.00

	Lake George Association	Lake George Floating Classroom and Stream Education Programs 2022	\$28,614.00
	Lewis Creek Assn	Ahead of the Storm Guidance Manual and Community Outreach	\$38,224.00
	SUNY Plattsburgh	Continuing the New York Watershed Alliance- Year 3/4 education activities	\$66,378.00
	Warren County SWCD	Education on Agroforestry	\$25,880.00
	Winooski NRCD	Developing Consistent and High-Quality Skills Training in Clean Water BMP Implementation on Sub-jurisdictional Small Sites	\$36,062.00
	Winooski Valley Park District	Improving Communications through Updated Informational Kiosks at Winooski Valley Park District Parks	\$39,700.00
			<b>\$342,012.00</b>
<b>Technical Grants</b>			
	Dartmouth College	Going deep: evaluating deep and shallow water drivers of mercury in Lake Champlain fish	\$297,500.00
	Friends of Northern Lake Champlain	Fairfield Pond Lake Watershed Action Plan	\$24,635.00
	Grand Isle County NRCD	Action Plan to Improve Water Quality in Lake Champlain through the Assessment of Streams, Lakeshore, and Wetlands	\$38,618.00
	Lake St. Catherine Association	2022 Lake St. Catherine Watershed Action Plan	\$38,224.00
	SLR (Milone & MacBroom)	Expanding Vermont's Functioning Floodplain Initiative (FFI) to Advance the Science and Conservation of Healthy Stream, Riparian, Wetland, and Floodplain Ecosystems	\$154,035.00
	MRC Brome-Missisquoi	Geomorphic assessment of Pike River	\$160,000.00
	Orleans County NRCD	Caspian Lake Watershed Action Plan	\$48,668.00
	Paul Smith's College - AWI	Lake assessment and watershed action planning for New York lakes,	\$198,995.00
	Poultney Mettowee NRCD	Flower Brook Floodplain Function and Flood Resilience Assessment	\$56,550.00
	Poultney Mettowee NRCD	Castleton Main Street Drainage Scoping Study	\$24,500.00
	Stone Environmental	Developing a Comprehensive Binational Phosphorus Mass Balance Model for the Missisquoi Bay	\$299,966.00
	Stone Environmental	Achieving Verifiable Phosphorus Removal from Tile Drains Discharging to Lake Carmi Tributaries,	\$147,962.00

	Vermont State Natural Resources Conservation Council	NRCC Trees for Streams Program	\$246,334.00
	VNRC	Reconnecting VT Rivers through Dam Removal in the Lake Champlain Basin,	\$270,000.00
	Washington County SWCD	Washington County Brine Maker	\$132,000.00
	Winooski NRCD	Lake Iroquois Watershed Action Plan	\$39,836.00
			<b>\$2,177,823.00</b>
<b>Champlain Valley National Heritage Partnership Grants</b>			
	Bixby Library	Stewardship, Interpretation, and Accessibility of Bixby Library's Objects and Artifacts Collections	\$7,500.00
	Center for the Study of Canada and Institute on Quebec Studies, SUNY Plattsburgh	The Clean Water Act (CWA) and the Lake Champlain Basin: Origins, Implementation, and Impacts	\$40,000.00
	City of Beloeil	Heritage enhancement of the rest stops along the Richelieu River in the City of Beloeil Canada	\$4,000.00
	Clinton County Historical Association	Project to design and install 3 interpretive panels in Clinton County	\$3,500.00
	Clinton County Historical Association	Collections Management training for a student of museum studies, anthropology or history	\$5,000.00
