

Vermont Citizens Advisory Committee on Lake Champlain's Future

ACCEPTING APPLICATIONS TO FILL ONE *Citizen-at-Large Vacancy*

Do you...

- Reside in the Vermont portion of the Lake Champlain watershed and have a strong personal interest in the future of Lake Champlain
- Have experience related to water quality, land use, natural resource management, environmental justice, fish and wildlife, agriculture, education, recreation, cultural heritage, economics and business, or other disciplines related to the Lake Champlain Basin
- Have ~3 hours per month to prepare for and attend regular monthly meetings (typically held the second Monday of the month from 5-7pm)

Why Join the VTCAC?

- A dedicated forum for citizens, interest groups, and local governments to discuss Lake issues
- Amplify community voices in the management of Lake Champlain
- Present annual recommendations to the Governor and the Vermont Legislature
- Advise the Lake Champlain Basin Program Steering Committee on public concerns

Compensation

- Committee members are eligible for a \$50 per diem and applicable travel expenses for meeting attendance.

The VTCAC is a governor-appointed advisory committee charged with making an annual report of recommendations to the Governor and Vermont Legislature (10 V.S.A. §1961). The 14-member committee provides an opportunity for diverse interests to work together to develop an action agenda for improving water quality and enhancing the natural, cultural, recreational, and economic resources of the Lake Champlain Basin.
