

Aquatic Invasive Species Boat Launch Stewards

Select boat launches around Lake Champlain, NY and VT

Spend your summer by the lake! Join the efforts of NEIWPCC and the Lake Champlain Basin Program (LCBP) to prevent the spread of harmful and destructive invasive species, working to ensure a healthy and clean environment for wildlife and recreationalists. We're seeking multiple seasonal boat launch stewards to deliver interpretive invasive species spread prevention messages to boaters on Lake Champlain during the summer of 2026 and to inspect and decontaminate watercraft.

As a boat launch steward, you will be trained to:

- Greet visitors to Lake Champlain and share aquatic invasive species information.
- Record lake-user information on mobile tablets.
- Collect and identify aquatic organisms.
- Inspect watercraft, trailers, and recreational equipment for aquatic organisms.
- Conduct hot water high pressure decontaminations as needed.

Successful candidates will be organized, have excellent public communication skills, have experience with data collection, and have familiarity with invasive species. Candidates must be comfortable working in outdoor settings in various weather conditions and have the physical capability to inspect watercraft. Basic familiarity with boaters, anglers, and recreational equipment will be useful. Experience with small engine maintenance and repair is a plus. A valid driver's license and private means of transportation are required.

Stewards will work approximately 40-hours per week at select boat launches around Lake Champlain from mid-May to Labor Day weekend, with the option to extend through mid-October. Weekends and holidays are required. Time off by prior arrangement can be accommodated. The anticipated hourly payrate for this position is \$19.00.

To Apply

Submit a cover letter and resume by email to jobs@neiwpcc.org; please reference #26-LCBP-002 in the email subject line. Application review will begin on January 20, 2026, and will continue on a rolling basis until all positions are filled. A full position description may be viewed at: <https://neiwpcc.org/about-us/careers>.

About NEIWPCC and LCBP

NEIWPCC is a regional commission that helps the states of the Northeast preserve and advance water quality. We engage and convene water quality professionals and other interested parties from New England and New York to collaborate on water, wastewater, and environmental science challenges across shared regions, ecosystems, and areas of expertise. Our mission is to advance clean water in the Northeast through collaboration with, and service to, our member states. NEIWPCC serves as the primary program administrator of LCBP and administers the Program's personnel, finances, and contracts. NEIWPCC is an equal opportunity employer.
