

**Lake Champlain Education & Outreach Steward**  
*Seasonal/Internship, Summer 2026*  
*Grand Isle & Burlington, Vermont*

NEIWPCC and the Lake Champlain Basin Program (LCBP) are seeking a motivated and enthusiastic Summer Education & Outreach Steward to support public engagement around Lake Champlain. This is a unique opportunity to gain hands-on experience in environmental education, outreach, and communications while working with a dynamic team dedicated to protecting the Lake Champlain watershed.

### **Position Overview**

The Steward will assist LCBP's Education & Outreach team with a wide range of projects, including:

- Staffing community events across Vermont, New York, and possibly Québec.
- Transporting, setting up, and managing outreach exhibits and activities.
- Providing staff coverage at the Colleen Hickey Lake Champlain Resource Room at the ECHO, Leahy Center for Lake Champlain.
- Engaging learners of all ages in watershed education.
- Assisting with meetings, preparing outreach materials, and contributing to social media content.

### **Schedule, Location & Pay**

- Approximately 40 hours per week, mid-May through September 2026 (some evenings & weekends required), with the potential for extension.
- Work will be based in Grand Isle and Burlington, Vermont, with potential travel to New York and Québec. This position is not eligible for telework.
- The anticipated hourly payrate for this position is \$19.00.

### **Qualifications**

- Strong communication and interpersonal skills; comfortable engaging with the public.
- Attention to detail, dependability, and enthusiasm for watershed issues.
- Coursework or experience related to natural resources, education, communications, or environmental sciences preferred.
- Valid driver's license and access to personal transportation are required.
- Photography or media skills a plus.

### **Why Join Us?**

- Be part of a mission-driven team working to protect and restore Lake Champlain.
- Gain valuable experience in public engagement, event coordination, and nonprofit programming.
- Work in a collaborative environment with opportunities for professional growth.
